## Objective

An enthused Game/Software Developer graduate from Gwinnett Technical College and Entity Academy. Looking to begin a career with an organization that strives to be the best, through challenging roles and learning opportunities, while gaining experience and perfecting skills.

## Experience

### Package Handler

FedEx Ground, 10/2018 - 04/2020

- Would load, unload and sort packages of varying weight/sizes by lifting, pushing, pulling, carrying and scanning while distributing packages to rightful trailers.
- Worked agilely to meet daily quota and assist other package handlers lacking behind.
- Awarded Package Handler of the Month, for my outstanding performance, productivity and dedication.
